The "C" number after each item is that item's calorie count. Recommended limits for a 2,000 calorie daily diet are 20 grams of saturated fat and 2,300 milligrams of sodium. Calorie counts are based on standard recipes and may vary slightly. Additional nutrition information is available upon request.

An Authentic Italian Tale

In the Puglia region of southeastern Italy, on the coast of the majestic Adriatic Sea, lies the capital city of Bari.

It was in Bari that young Luigi discovered his love of cooking and the seductive power of simple Italian dishes made with only the finest ingredients, like San Marzano tomatoes, fresh mozzarella, fresh basil, and extra virgin olive oil.

In 1996, Luigi arrived in Louisville with a mission: to share the authentic cooking of his native Bari with his new friends in this community. Join us for a hot, homemade meal and taste how much pride Luigi has in his cooking. Buon Appetito!
